

*Long Island & New York City Oldsmobile Club*  
OCA Chapter #5

Membership Application Form

The Long Island & New York City Oldsmobile Club was founded in 1975 to bring together all the collectors, enthusiasts and hobbyists who love Oldsmobile's. We are one of the oldest car clubs in the Long Island & NYC area.

Dues for membership in the LI & NYC Oldsmobile Club are \$30.00 annually. Your active participation in the organization is encouraged. As a club we sponsor an annual car show "The Dust-Off" in May. In 2022 we celebrated our 43rd show. We also enjoy cruising to several shows together as well as our annual "North Fork Cruise" in November.

Other Benefits to joining include the ability to meet and network with other Oldsmobile enthusiasts, attend monthly meetings, and join our annual holiday party held in January. Our main purpose as a club is to have fun and enjoy our cars with fellow owners. You do not have to own an Oldsmobile to become a member of the club.

Meetings are held the first Wednesday of each month. We alternate between two different locations in Farmingdale NY, both with plenty of parking. Please check our website for the current location. Members receive emailed location and itinerary one week before each meeting. Complementary food and refreshments are served. New members and guests are welcome. Just stop in.
