

*The Long Island & New York City
Oldsmobile Club*
OCA Chapter #5

Membership Application Form

The Long Island & New York City Oldsmobile Club was founded in 1975 to bring together all the collectors, enthusiasts and hobbyists who love Oldsmobile's. We are one of the oldest car clubs in the Long Island & NYC area.

Dues for membership in the LI & NYC Oldsmobile Club are \$30.00 annually. Your active participation in the organization is encouraged. As a club we sponsor an annual car show "The Dust-Off" in May. In 2019 we celebrated our 43rd annual show. We also enjoy cruising to several shows together as well as our annual North Fork Cruise in November. Other Benefits to joining include the ability to meet and network with other Oldsmobile enthusiasts, attend monthly meetings, and join our holiday party in January. Our main purpose as a club is to have fun and enjoy our cars with fellow owners. You do not have to own an Oldsmobile to become a member of the club.

Meetings are held the first Wednesday of each month starting at 7:00 pm. Check the website for up to date meeting locations. Parking is in the rear of the building. Complementary food and refreshments are served. New members and guests are welcome. Just stop in.

*****Please visit our website for updates especially during this Covid-19 crisis. We have an alternate meeting site where social distancing is observed, and masks recommended.*****
